### OUR STORY

Project Phillip is a Bible study by correspondence course for people in prison and was founded in the Chino Valley in 1971. Volunteers meet weekly to prepare and correct lessons for mailing. There are a total of 59 studies and if an inmate completes every course, they will have completed a 3-year journey in the Bible and will earn a certificate. Over the years there has been 324 students who have completed the course. The ministry grows by inmates or friends and family referring other inmates to join. We are inspired by the encouraging testimonies written by students every week. We know that God's Word never returns to Him void.

### OUR VISION

We desire to see prisoners engaged in thriving Bible studies, learning about salvation, life change, and hope through biblically based training and resources to meet their spiritual, moral, and social needs.

### OUR MISSION

Encouraging and equipping prisoners to participate in a Bible study to gain clear understanding of God's Word, combining evangelism with discipleship, giving new Christians support as they start their new life in Christ.

### PLEASE PRAY FOR:

- The salvation of those who are in the nations prison system.
- God's transforming words for those who are enrolled in this correspondence course.
- Continued correspondences between the prisoners and their teaching partners.
- Mail system efficiency, that our lessons may proceed unhindered through the USPS and prison mail systems. Mail is often diverted or blocked from reaching the prisoners.
